## Format for the Qualifier

### Option 3

Each team will jump two rounds (with the second round being split into two parts – part one being the second round and part two will be the individual jump-off). Each team member will jump both rounds with the best three scores to count in each round for the team total. If a team member is eliminated or gains in excess of 24 jumping penalties in the first round, they are not permitted to compete in the second round.

Other than the team competitions, all heights are approximate. Judges/Secretary have the right to refuse any entries and the Judge's decision is final. Finn Valley Riding Club accepts no responsibility for any damage to horses, people or their property. Please take **all rubbish home** and clear up **hay** and **manure** from the car park.

## BRC HAT STANDARDS

Hat tags must be the **approved BRC** colour and be in place before they are used for warming up and competing, to show that they meet the current safety standards. They can be from other disciplines/bodies etc Pony Club, BE; they do not have to be BRC ones. For up to date hat rules please see the current BRC handbook.

## FLU VACCINATIONS (see rule G7)

The team manager MUST email the copy of each competing horse's passport details. This must include the passport name, full vaccination record and microchip number. Please can each horse's details be sent in a separate email with the horse's name, rider and club in the subject heading. Please can all team managers check everything is complete (you do not need to check the vaccination page but just ensure everything is present and not just simply forward on rider's email assuming it is correct). Please also forward any reserve horse details too then this will help in case of last minute changes.

**The deadline for vaccination records and declaration forms to Ann McVicar by **Monday 6th October** but please send them in before if you have them.**
